	ITM Coordinates	66
	NG Coordinates	
<b>Protection Status</b>	NIAH & RPS	
<b>Condition</b>	Substantial remains	
<b>Ownership (if known)</b>		
<b>Site Description</b>	<p>Detached three-bay two-storey over basement house, c. 1825, with two-storey canted bay windows to south-west, two- and single-storey additions to rear and side respectively and gabled two-storey recessed bay to north-east with Tuscan doorcase and fanlight. Double pitch purple slate with painted nap rendered chimneys, pane-over-pane lapped glazing to curvilinear cast iron ribs lapped to conservatory with cast iron acanthi at eaves level. Painted wet dash on rubble stone with brick dressings to openings, dentilled pediment to recessed bay. Timber sash windows with stone cills and patent plaster reveals to openings, timber panelled door with pilaster and entablature surrounds, sidelights and fanlight over. Plaster cornices and ceiling centrepieces, cast iron stair balustrade, marble fireplaces, timber panelled doors, linings and window shutters, plaster reed mouldings to first floor rooms. Stone paving outside door and conservatory, single- and two-storey stable yard adjacent to north, brick walled garden with lean-to conservatory to north-west, stone gate piers to road entrance beside gate lodge and to north-east of house. Was formerly used as a hotel. Owner would like further information on age of parts if it becomes available. U - relates to conservatory. M includes timber sash windows, cast iron ribs to conservatory, cast iron decoration, natural slates, etc.</p>	
<b>Landscape Context (setting)</b>	Located approximately 1km east-southeast of Movice town, to the south of the R241 road, overlooking Lough Foyle	
<b>Site Appraisal</b>		
<b>Sensitivity</b>	This site is not very sensitive to damage, although it is still in use.
